ELECTIVE COURSES (10 courses = 20 credits)

Program of Study – To maintain full-time status, students must be enrolled in a minimum of 9 credits per term. Concentrations are available in the following areas of study: ENT, FIN, INTL, MGT, MKT, OTM and SESE. To obtain a concentration, 8 elective credits must be completed in the area of study. The remaining 12 elective credits must be completed in an area outside the concentration. **Single Concentration** – 8 elective credits in one area of study, the remaining 12 elective credits must be completed outside the area of concentration. **Dual Concentration** – 16 elective credits in areas of study (8 elective credits completed in each area of concentrations). Elective credits are 600 level courses excluding all integrating (INTG) courses. Concentrations are not required. Only two practicum (consulting projects) may be taken during the Program of Study for a total of 4 elective credits. Students may only use 2 credits of practicum credit toward a concentration. Certain courses and consulting projects may be used toward different concentrations.
