DIS 704 – Dissertation 4 is scheduled to be completed by the end of the program on August 31, 2025. Any student that has not met this requirement will be continually registered for the course named **DIS 704 -Dissertation Continuation** for a total of 6 credit hours at the tuition rate of \$10,848 for every semester until completion for continuous advisement.

Time Limitation - EDBA students have five consecutive calendar years from the semester of the first credited registration, including leaves of absence, to complete all requirements for the degree. Any EDBA student who fails to complete the requirements within the five-year limit will be subject to separation from further study unless granted an extension by the EDBA Academic Committee subject to the recommendation of the student’s faculty advisor or dissertation committee. An extension may be granted if the student and their advisor work out a plan of action for completion within an additional two-year time frame. The request must be made in writing by the student and supported by the advisor, then submitted to the EDBA Academic Director for consideration by the EDBA Academic Committee. Students who fail to complete degree requirements after 7 years will be automatically removed from the EDBA program.

Classes will meet on-campus as outlined below unless otherwise specified. Course order is subject to change.
