ELECTIVE COURSES (10 courses = 20 credits)

Program of Study – To maintain full-time status, students must be enrolled in a minimum of 9 credits per term. Concentrations are available in the following areas of study: ENT, FIN, INTL, MGT, MKT, OTM and SESE. To obtain a concentration, 8 elective credits must be completed in the area of study. The remaining 12 elective credits must be completed in an area outside the concentration. Single Concentration – 8 elective credits in one area of study, the remaining 12 elective credits must be completed outside the area of concentration. Dual Concentration – 16 elective credits in areas of study (8 elective credits completed in each area of concentrations). Elective credits are 600 level courses excluding all integrating (INTG) courses. Concentrations are not required. Only two practicums (consulting projects) may be taken during the Program of Study for a total of 4 elective credits. Students may only use 2 credits of practicum credit toward a concentration. Certain courses and consulting projects may be used toward different concentrations.

- Elective selection list with checkboxes and lines for Elective 1 through Elective 10.

Total Credits to Complete Degree = 58

Changes in this program are permitted only by the Director of Student Services through the office of the Dean.
