Internship Learning Objectives Form

The purpose of establishing learning objectives is to help students focus on specific areas of development during the internship. With the support of their supervisors, students will work toward proficiency and competency in these areas. Students are responsible for writing the five learning objectives in the following format and obtaining final approval from their manager.

Objective 1: _____

How will you achieve? _____

Target Date of Completion _____

Objective 2: _____

How will you achieve? _____

Target Date of Completion _____

Objective 3: _____

How will you achieve? _____

Target Date of Completion _____

Objective 4: _____

How will you achieve? _____

Target Date of Completion _____

Objective 5: _____

How will you achieve? _____

Target Date of Completion _____
